

Welcome to 315 Riccarton Motel. We hope that your visit to Christchurch will create significant and wonderful memories for you. If you require more information about local restaurants or places of interest, please feel free to ask at the reception.

Our mission at 315 Riccarton Motel is to protect the beautiful environment of Canterbury that we live in and enjoy. We believe it is essential to actively reduce any adverse effects by buying wisely, using resources efficiently, disposing of waste responsibly, and providing an environmentally and socially responsible experience for our guests. During your stay we would like to invite you to help us by:

- ◆ Turning off heaters, lights, air conditioners, and electric blankets.
- ◆ Using our recycling station located at the front of the building.
- ◆ Line drying clothes using the clothes airer in the laundry.
- ◆ Reusing towels if you're here for more than one night helps to conserve water and power, and prevent unnecessary pollution from laundry detergents.

Thank you for choosing to stay with us and for your efforts in reducing waste and conserving energy.
